

Dear Montcrest School Community,

As you know, our search is getting underway for our new Head of School. Hearing from our school community is one of the most critical steps in the search. We are very interested in hearing the views of everyone - faculty, staff, parents, alumni, and students - as the search committee begins to craft the profile of our ideal Head of School and the vision for that role over the next 5-10 years.

Below is a link to a brief survey we have designed to collect your input. We would appreciate receiving your feedback by end of day on Monday, May 14th. Your answers will be reviewed in detail and held confidentially within the Transition Committee. Our search consultants will be on campus on Thursday, May 17th for faculty, staff, and parents to engage in conversations for those interested in sharing their input in person. For parents, our consultants will be hosting a drop-in session from 8:00 a.m. to 9:30 a.m. on Thursday, May 17th. Please email maggie_zegas-tepper@montcrest.on.ca if you plan to attend.

Thank you in advance for your thoughtful contribution to the search process.
